Subject: Request for Approval of Document Validation Test

Respected Sir/Madam,

I am submitting this sample letter as part of a document processing and validation workflow. The purpose of this document is to test the Optical Character Recognition (OCR) service integrated into the application.

The system should extract the text from this PDF accurately, including the reference number, date, subject, names, numbers, and technical terminology. The extracted text will subsequently be used by the document validation pipeline.

Test Information:

Document ID: DOC-MRSAC-2026-0822

Application: AI-Assisted Letter Validation System

OCR Engine: Tesseract

Technology: Java and Spring Boot

Status: UPLOADED

Expected Language: English

Important terms for OCR verification: Remote Sensing, Geographic Information System (GIS), Geoportal, Satellite Imagery, Artificial Intelligence, Retrieval-Augmented Generation (RAG), Tesseract, and Document Validation.

Kindly consider this document for testing purposes. Thank you for your time and consideration.

Yours sincerely,

Tejas
